THINGS TO KNOW

INSTRUCTOR: CAMELA MILAND

Where to Park and Enter:

Please park at the farthest end of the parking lot by the last door (east door).

Do **NOT** enter through the main doors (west door) to the building, this is for our clinic kids that are immunocompromised.

What to Bring to Clinicals and Lab

During lab and clinicals you must be in clean well-fitting scrubs. Any color will be fine. For clinicals you will need to bring a lunch. During Lab you will be able to leave during lunch if you choose.

Tentative Make-Up Days:

The listed tentative makeup days are in place in the event that NTSOC has to close due to weather. These makeup days are **not** makeups for individual sick days.

If you receive an email from your instructor to notify of a closure, plan to attend the corresponding make-up day.
