## THINGS TO KNOW

**INSTRUCTORS: CAMELA MILAND/  
SALLY SHAW**

### Where to Park and Enter:

Please park at the farthest end of the parking lot by the last door (east door).

Do **NOT** enter through the main doors (west door) to the building, this is for our clinic kids that are immunocompromised.

### What to Bring to Clinicals and Lab

During lab and clinicals you must be in clean well-fitting scrubs. Any color will be fine. For clinicals you will need to bring a lunch. During Lab you will be able to leave during lunch if you choose.

### Clinical Sites

All clinical sites, dates, and times are subject to change. Please communicate with your instructor to confirm clinical dates.
